## MILITARY LINESHEET 2025

ARKTIS MILITARY LINESHEET

In 1985, an ex-Royal Marine started Arktis to create superior military gear. Today, Arktis produces specialist clothing and equipment for various military and police organizations, and outdoor enthusiasts worldwide, staying committed to the 'Quality of Endurance' established in the '80s.

“We’ve transported jackets to airstrips for waiting planes and shipped gear from the Arctic to the Sahara. Our products and their owners have countless stories.”

At Arktis, our approach to designing excellent gear involves hands-on experience. We design, prototype, and modify our products in our UK office to ensure the highest quality and fuel our enthusiasm and innovation. We’re proud of our history and excited for the future, looking forward to sharing our next innovations with our customers.

Over the years, Arktis has grown an extensive customer list. Here are a few we have been incredibly honoured to serve.

The purpose of this catalogue is to showcase the capability we have at Arktis, and present the range of products we currently produce for the UK and overseas Military organisations.

The focus at Arktis is on Government supply through specific unit needs, special projects or tender opportunities. Over the years we have worked closely with the end user from a variety of tactical fields, sharing their knowledge and allowing us to develop products which are 'right' for the job.

Our in-house R&D Lab and UK production facilities offer customers that unique opportunity to work on exclusive projects and solutions with the Arktis team. Advanced design combined with technical fabric innovation has enabled us to develop cutting edge products which embrace our design Ethos of Fabric, Fit, Function.

We have the capability to scale up production and can easily move from 100pcs to 10,000pcs if demand takes off.

**"Quality of Endurance"** is a commitment we made 40 years ago, and all new products must live up to this reputation of Rugged Quality, Durability and British Heritage.

'Built for the Job, tested in battle, proven in the field'

Please contact us directly if you would like to discuss a special project or requirement.

## A126 - UBACS SHIRT

- Durable Ripstop with DWR finish
- Breathable eyelet jersey
- Multi functional sleeve pockets
- Adjustable cuffs
- Robust felled seam construction
- MultiCam: 50% Nylon / 50% Cotton RipStop
- 50% Polyester / 50% Cotton Ripstop with DWR finish
- 100% Polyester eyelet jersey

## A135 - CONTACT UBACS

- Inherent FR 200gm knit jersey body
- Robust chest yoke with loop patches
- Upper sleeve pockets with zipped entry
- Flat seams, to reduce abrasion
- Adjustable hook and loop cuff
- Ripstop parts: 57% Nylon Cordura® / 43% Cotton
- Jersey parts: 65% Modacrylic / 35% Viscose

## A110 - ALL CLIMATE SHIRT

- Durable Ripstop with DWR finish
- Multi functional pocket configuration
- Concealed button placket
- Rank tab placket
- Vented rear yoke with mesh liner
- Heavy duty construction
- MultiCam: 50/50 NyCo
- 50% Polyester / 50% Cotton Ripstop with DWR finish

## B110 - COMBAT SMOCK

- Durable Ripstop with DWR finish
- Multi adjustable hood
- Large multi functional pockets
- Adjustable waist and hem
- Heavy duty construction
- MultiCam: 50/50 NyCo
- 50% Polyester / 50% Cotton Ripstop with DWR finish

## B310 - WP SMOCK

- Durable Ripstop with DWR finish
- Fully taped waterproof dropliner
- Multi adjustable hood
- Large multi functional pockets
- Adjustable waist and hem
- MultiCam: 50/50 NyCo
- 50% Polyester / 50% Cotton Ripstop with DWR finish
- 100% Polyester Mesh laminated to a breathable, waterproof membrane

## A500 - CONTACT FIELD JACKET

- Ergonomic fit
- Mechanical stretch Ripstop fabric
- Multi-functional hood
- Large multi-functional pockets
- Pit Zips with stretch mesh gusset
- Adjustable hem and cuffs
- 57% Nylon Cordura® / 43% Cotton
- Mechanical Stretch Ripstop with DWR Finish

ARKTIS MILITARY LINESHEET

## C145 - CARGO PANT

- Belt loops for military belts with Carabiner loops
- Large cargo pockets
- Adjustable hem
- Classic fit
- 57% Nylon Cordura® / 43% Cotton Mechanical Stretch Ripstop with DWR Finish

## C450 - XPLR PANT

- Mechanical Stretch Ripstop fabric
- DWR Finish
- Ergonomic fit
- Zipped cargo and rear pockets
- Side phone pocket
- MultiCam: 57% Nylon Cordura®/ 43% Cotton Mechanical Stretch Ripstop with DWR Finish
- Solid Colour: 60% Polyester / 40% Cotton Mechanical Stretch Plain Weave with DWR

## C245 - CONTACT PANT

- Mechanical stretch Ripstop fabric
- Multi functional pockets
- Adaptable knee panel
- Adjustable knee and cuff
- Ergonomic fit
- 57% Nylon Cordura® / 43% Cotton Mechanical Stretch Ripstop with DWR Finish
- 100% Nylon 330D Cordura with DWR Finish

## C310 - WP COMBAT PANT

- Durable Ripstop with DWR finish
- Fully taped waterproof dropliner
- Multi adjustable waistband
- Large multi functional pockets
- Adjustable hems
- 50% Polyester / 50% Cotton Ripstop with DWR finish
- 100% Polyester Dropliner with TPU laminate

## C222 - RANGER PANT

- Mechanical stretch Ripstop fabric
- 4-way stretch jersey panels
- Multi functional pockets
- Adaptable knee panel
- Robust felled seam construction
- MultiCam: 50/50 NyCo
- 57% Nylon Cordura® / 43% Cotton
- Mechanical Stretch Ripstop DWR Finish
- 100% Metaramid interlock jersey

## A270 - JACKAL FLEECE

- Ergonomic fit
- Polartec® Powergrid Fabric
- Technical Midlayer
- Wind protection thumb hole
- Dropped rear hem for comfort
- 93% Polyester 7% Spandex

## A220 - MAMMOTH SHIRT

- Durable Ripstop with DWR finish
- Stowable Nylon Ripstop hood
- Large handwarmer pockets
- Multi functional pockets
- Large side access zipper
- 50% Polyester / 50% Cotton Ripstop with C6 DWR finish
- 100% Polyester Sherpa

## B420 - SPIRIT JACKET

- Ergonomic fit
- Lightweight Insulation
- Ripstop outer fabric
- Dropped rear hem
- Packable into inner pocket
- Storm proof adjustable hem
- Multicam: 100% Nylon 70D Ripstop
- Solid Colours: 100% Recycled Polyester Mini-Ripstop with DWR Finish
- Clo Insulation, 100% Insulation
- 100% Nylon Pongee Liner

## B475 - VULCAN JACKET

- Ergonomic fit
- Ripstop outer fabric
- Primaloft® Gold Insulation
- Multi-point adjustable hood
- Large multi-functional pockets
- Packs into inner pocket
- Multicam: 100% Nylon 70D Ripstop with DWR finish
- Solid Colours: 100% Nylon Mini-Ripstop
- Polyester Wadding with operating temperature to -10°
- Pit zips

### C475 - VULCAN PANT

- Nylon 70D Ripstop Primaloft® Gold Insulation
- Nylon 330D Cordura (instep)
- Full side zip opening
- Supplied with adjustable braces
- 100% Nylon 70D Ripstop with DWR finish
- Solid Colours: 100% Nylon Mini-Ripstop
- Polyester Wadding operating temp to -10°C
- 100% Nylon 330D Cordura with DWR finish on instep and hem

### A192 - STOWAWAY SHIRT

- Lightweight Ripstop with DWR finish
- Packable and space saving
- Relaxed ergonomic fit
- Water resistant zipper
- Minimalist design
- 100% Nylon Ripstop with DWR finish

### A196 - HURRICANE SHIRT

- Ergonomic fit
- Multi-point adjustable hood
- Adjustable hem and cuffs
- Large multi-functional pockets
- Packs into inner pocket
- 100% Nylon 70D Ripstop with DWR finish

### A310 - RAINSHIELD COAT

- Lightweight Ripstop with DWR finish
- Fully taped waterproof 20K/20K dropliner
- Multi adjustable hood
- Multi pocket configuration
- Water resistant zippers
- 100% Nylon Ripstop with DWR finish
- 100% Polyester Mesh laminated to a breathable, waterproof membrane

### A404 - STEALTH JACKET

- Ergonomic fit
- 3L Waterproof and Breathable fabric
- Fully taped seams
- Multi-functional hood
- Large multi-functional pockets
- Pit zips
- 100% Nylon plain weave 3 layer fabric with PTFE 20K WP/6 RET breathable membrane and DWR finish

### C404 - STEALTH PANTS

- 3L Waterproof and Breathable fabric
- Nylon 330D Cordura (instep)
- Fully taped seams
- Large multi-functional pockets
- Full side zip opening
- Supplied with adjustable braces
- 100% Nylon plain weave 3 layer fabric with PU 20K WP/6 RET breathable membrane and DWR finish
- 100% Nylon 330D Cordura with DWR finish

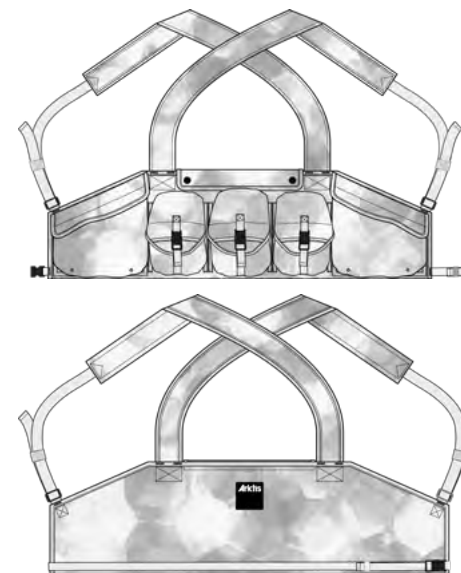

## B404 - PHANTOM JACKET

- Fully taped seams to outer shell
- Multi-point adjustable, rollable hood
- Large multi-functional pockets
- Pit Zips with stretch mesh gussett
- Multicam: "100% Nylon plain weave 3 layer fabric with PU 20K WP/6 RET breathable membrane and DWR finish
- 100% Nylon ripstop 3 layer fabric with PU 20K WP/6 RET breathable membrane and DWR finish (IR neutral on solid colours)
- Polyester breathable wadding operating temp to -10°C
- 100% Nylon windproof soft touch liner
- Primaloft Insulation

## M170 - CHEST RIG

- Adjustable 'X' Harness
- 3x Cinch Down, Rattle-Proof Mag Pouches
- 2x Large Utility Pouches
- One Large internal pocket
- Fully adjustable, comfortable with padded shoulder straps, easy on/off.
- Non-restrictive design
- Made from 1000 water-repellent Cordura

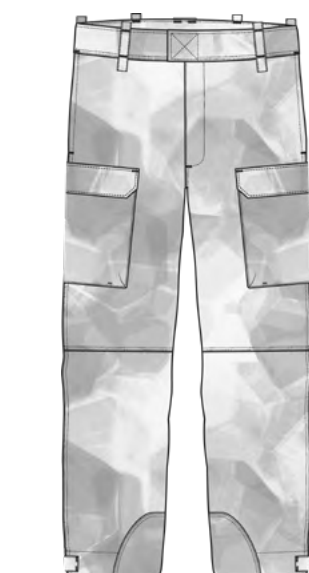

## A315 - ALBA JACKET

- Oversized fit
- Arktis Comb Blizzard camouflage
- IRR finish
- Ergonomic hood design
- Large front pockets
- Side opening, for ease of access
- 100% Polyester with DWR Finish

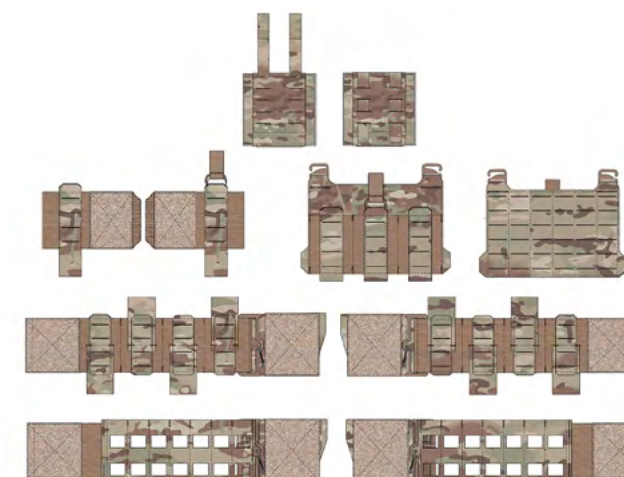

## K100 - PLATE CARRIER

- Fully modular & scalable design
- G-Hook placard system
- Interchangeable cummerbunds
- Extendible extraction handle
- Cable management loops
- Quick release buckles
- Adjustable shoulder straps
- Admin pocket/ Knife attachment
- Rear zips for modular panels (JPC standard)
- 4-way Tweave Durastretch backing

## C325 - ALBA PANT

- Oversized fit
- Arktis Comb Blizzard camouflage
- IRR finish
- Durable overlay panel at instep
- Large side opening
- Large cargo pockets
- 100% Polyester with DWR Finish

## K100 - ACCESSORIES

- K101 Side Plate Pouch
- K104 Side Mount Radio Pouch

- Six side, and two end pockets
- Durable YKK zippers throughout
- Multi-Carry system; padded backpack straps, over-shoulder strap, and padded carry handle
- Rain guards on side pockets
- Internal articulated platform constructed from plastic polymer

## T114 - BARREL BAG 45L

- Heavy duty DWR Codura construction
- Dimensions approx. 62cm x 32cm x 32cm
- Removable shoulder strap
- Durable zippers throughout
- Padded adjustable shoulder strap
- Cordura carry handle
- Front "C" zip for full visibility of kit
- Front & end zip pockets

## H110 - DAYSACK 35L

- Heavy duty laminated Ripstop construction
- 35l capacity
- Snow lock in entry to main compartment
- Map pocket in lid
- Durable and adjustable straps

## V194 - BOONIE HAT

- Durable Ripstop with DWR finish
- Adjustable chin strap
- Eyelets for added breathability
- MultiCam: 57% Nylon Cordura / 43% Cotton Ripstop
- 50% Polyester / 50% Cotton Ripstop with DWR finish

## V194BTS - SF BOONIE HAT

- Durable Ripstop with DWR finish
- Multi adjustable side panel
- Adjustable chin strap
- Eyelets for added breathability
- MultiCam: 57% Nylon Cordura / 43% Cotton Ripstop
- 50% Polyester / 50% Cotton Ripstop with DWR finish

## V920 - RANGER CAP

- One size
- Top Velcro for IR marker
- Front and back Velcro patches
- Eyeleted for ventilation
- Adjustable Velcro rear closure
- MultiCam: NyCo 50/50
- DWR 50% Polyester/ 50% Cotton Ripstop

## G116 - WEAPON BAG

- Weapon Bag
- Double zipper opening
- 1000D Cordura
- 4oz PU Nylon lining
- 10mm Foam barrier
- Length: 106cm
- Width: 34cm
- Depth: 9cm

## D196 - FR BALACLAVA

- Nomex® III A Fabric
- Flame Retardant
- Breathable
- Stretch fabric
- Flat seam construction
- Adjustable opening
- 93% Nomex®, 5% Kevlar, 2% Antistatic Fibre

## G118 - WEAPON BAG

- Weapon Bag
- Double zipper opening
- 1000D Cordura
- 4oz PU Nylon lining
- 10mm Foam barrier
- Length: 106cm
- Width: 34cm
- Depth: 9cm

## G115 - RIFLE BAG

- Rifle Bag
- Double zipper opening
- 1000D Cordura
- 4oz PU Nylon lining
- 10mm Foam barrier
